INSPIRING EXPERIENCES™

EUROPE.

FEEL IT, BREATHE IT, LIVE IT.

**THE BEST HOLIDAYS AREN'T ABOUT GOING SOMEWHERE SPECIAL.**

**THEY'RE ABOUT BEING SOMEWHERE SPECIAL.** You may have already seen Europe, but have you really lived it? With seasonal savings on our villa and barging holidays you can be sipping chianti from your villa's private *loggia* or from the sundeck of your barge in no time.

On an A&K villa or a barge vacation you are immersed in your destination, at your own pace to do as much or as little as you want. And it's an ideal choice for a family or a small group of friends. Imagine the possibilities . . .

**Take advantage of special seasonal savings right now for both barging and villa holidays:**

- » Save from \$250 to \$2,000 on select barging holidays. (Valid through July 31, 2007. **7162 BARG**)
- » Spend a complimentary afternoon or evening with a chef preparing a three-course meal and take home culinary secrets of Europe. (Available at select villas July 1 to September 30, 2007. **7165 VILL**)

**Europe. Personalized. Authentic. Inspiring.** Take a new look at an old friend.
